

HSSC Awards

With eight major awards, the Historical Society of Southern California recognizes individuals for their outstanding accomplishments both in and outside the discipline of history.

Information about the application/nomination process is posted on the web page for each award at www.thehssc.org. The 2017 award submission/nomination deadline is August 1, 2017. The 2017 awards will be given at the HSSC Conference in 2018.

Awards for Articles in the *Southern California Quarterly*:

- The Doyce B. Nunis, Jr. Award is given for the best demonstration of scholarship in the *Southern California Quarterly* by a rising historian.
- The Francis M. Wheat Award is given for the best demonstration of scholarship in the *Southern California Quarterly* by an established historian.

Awards for Books:

- The Norman Neuerburg Award is presented to the author with the best book on California history that emphasizes the nineteenth century or earlier.
- The Martin Ridge Award is presented to the author with the best book on California history that emphasizes the twentieth century onward.
- The Donald H. Pflueger Local History Award honors an outstanding scholarly book or project (print or electronic) on Southern California local history.

Awards for Teaching and Community Service:

- The Joseph O'Flaherty Teaching Award celebrates creative excellence in the teaching of history in grades K-12 in the schools of Los Angeles.
- The Denise and Jack Smith Community Enrichment Award recognizes men and women who have enriched the community of Los Angeles by their dedicated service and accomplishments.
- The Fellows Award medallion honors exceptional lifetime achievements that have brought distinction to history.
